

# Leerboek Der Heelkunde, Volume 3... (Dutch Edition)

Voorwoord

## Nederlandse Vereniging van Antiquaren 1935 – 2010

*Op 3 september 1935 werd de NVvA opgericht. Doel was 'de menschen voor het oude boek en de oude prent warm te maken. Het publiek kan men appèren tot een meer waardering van de antiquaar'. Na 75 jaar later, is dit overtuiging van de NVvA. Boek, prent en kaart zijn papieren uitdrukkingsvormen van onze cultuur. En de antiquaar maakt het mogelijk dat consumenten zich ervan kunnen verzekeren. Al is deze vijfde generatie van de NVvA-catalogus weer dikker dan de vorige, toch geeft ze een beperkt beeld van wat de leden van onze Vereniging in bezit hebben. Uiteraard moet u niet nalaten ook te vragen op hun websites en in hun winkels.*

*Nu het papier in de verpakking raakt en onze cultuur omhoog vliegt te worden, moet de beschermende functie van de catalogus. Daarom hebben de twee antiquaar-verenigingen van ons land, de BOB (Bond van Heelmeesters in Oude Boeken) en de NVvA, besloten dit jaar gezamenlijk naar buiten te treden. Wij hopen te agiteren, maar maken ons dik, presentieren zij zich op de 31st Anniversary Book, Map & Print Fair van 29 tot 30 oktober a.o. Meer informatie hierover achterin de catalogus.*

*Julius Sierens dank ik voor zijn onverfluisde hulp. Mijn speciale dank gaat uit naar Janine Mulder, die deze catalogus grondig heeft voorbereid.*

*The Dutch Association of Antiquarian Booksellers (NVvA) was founded on 3 September 1935. One of its aims was 'to make people enthusiastic about old books and old prints. The public may be better educated for the book and the result will be a higher esteem for the antiquarian bookseller.' Seventy-five years on, this aspiration is as urgent as ever.*

*Books, prints and maps are manifestations on paper of our culture: that is the antiquarian bookseller who makes it possible for anyone to acquire a part of it. This fifth joint catalogue of the NVvA, although more extensive than previous ones, gives only a very limited idea of the range of material the members of our Association have to offer. For a more comprehensive view please explore their websites and visit their shops.*

*In these times, with 'cultural' values being given more prominence, the 'world of the book' must rally to focus. The two Dutch antiquarian booksellers associations (BOB - Union of Dealers in Old Books) and the NVvA have therefore decided to unite in presenting together, an separate from, but under one roof, the 31st Anniversary Book, Map & Print Fair from October 29 to October 30.*

*We do thank Julius Sierens for his continuous help, and my special thanks to Janine Mulder who for the greater part prepared this catalogue.*

*Frank Rutten, secretary NVvA*
